10 SEÑALES

DE QUE ESTÁS EN
UNA BODA
DEL SUR DE ASIA

1

Las joyas de la novia valen más que lo que tus papás pagaron por tu carrera universitaria.

2

La boda NUNCA comenzará a tiempo.
Una invitación que diga 6:00pm en
realidad se refiere a las 8:00pm

3

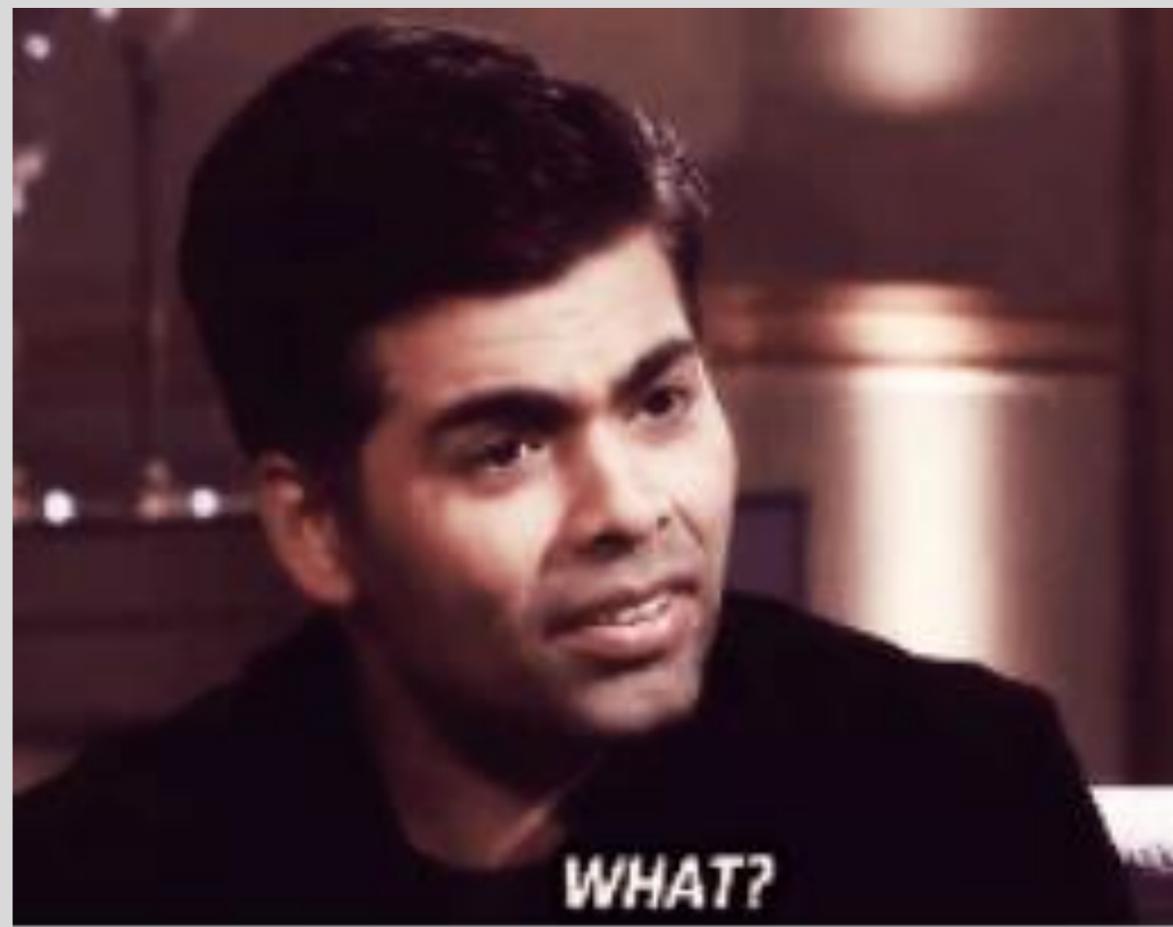

Repetir un outfit??
Jamás!!!!

4

Cuando se enteran
que la comida NO
es estilo buffet.

5

Nadie se escapa
del biryani!

6

Siempre hay una tía buscando prospecto para los sobrinos solteros.

7

Niños holligan por todos lados!

No existe el concepto de “mesa de niños”

8

Será una boda íntima, algo sencillo...
300 invitados.

9

Mencioné que la boda tradicional incluye como 5 eventos?

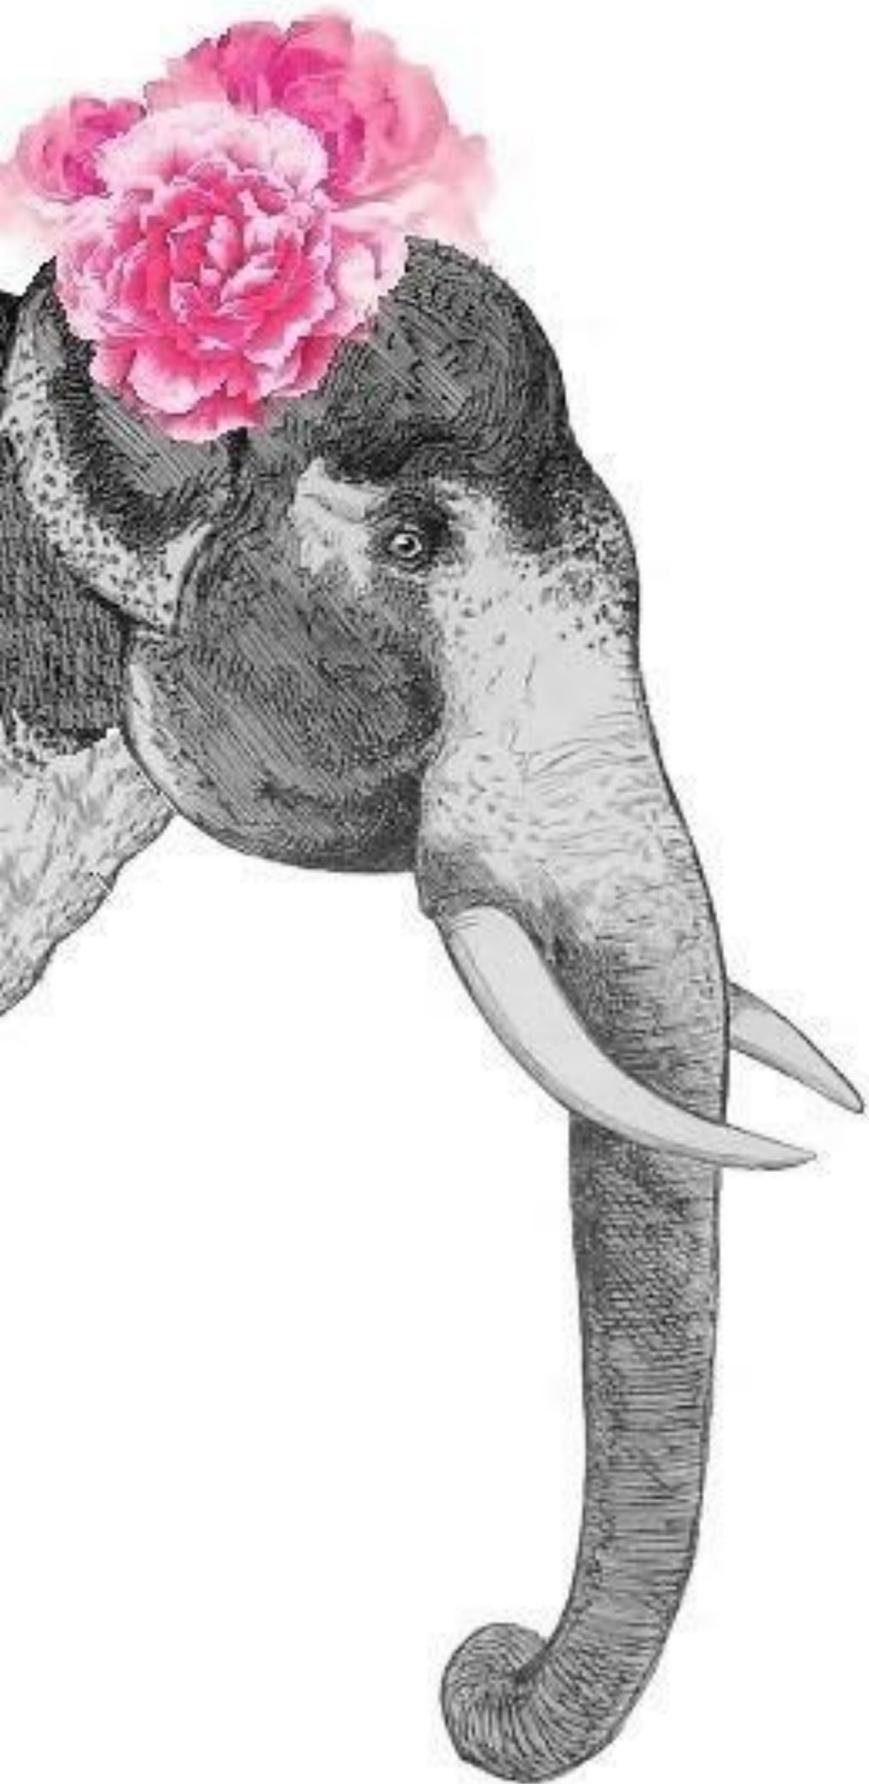

10

Siempre hay una mesa de compañeros de trabajo que lucen asombrados y confundidos al mismo tiempo!

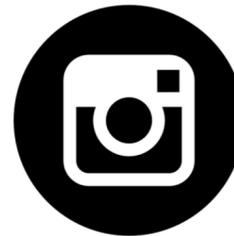

Y para cerrar...
